

Colony Pool, at the Colony Recreation Center, is set to open for weekends, beginning Saturday May 24, 2014. Regular season hours begin on June 21, 2014.

Chatham Township and the Colony Advisory Committee have been working hard to make sure that this year is a banner year for Colony. New features will include Pickle Ball, basketball in the upper lot, a Teen Dock, where members ages 12 and up with a deep water badge can hang out, freshly painted buildings, a spruced up picnic area, including a Community Herb Garden, and enhancements to the snack bar. Colony is also bringing back the beloved palm trees, as well as adding some new beach chairs.

Younger children can continue to dig and build on the sandy beach, ride down the froggy slide or wade and paddle in the water. The annual July 4<sup>th</sup> festivities and Sand Castle Contest will return, as well as the ever-popular Family Float Days.

Colony Recreation Center is proud to announce that it will continue the new social schedule begun last year by bringing back the popular Adult Social Evening, as well as the Family Fun Movie Night. A new event to look forward to is a sizzling BBQ contest as well as a men's game night.

Fitness Boot Camp and Yoga will also be returning to Colony this year at 7 a.m. on weekdays.

Please visit Community Pass to sign up for the pool, tennis and fitness classes for the 2014 season. The pool is located at 55 School Ave. To find out more, and access the calendar of events for the pool and tennis, visit the Colony Recreation Center's website:
